Smarter investors are here.
You should be here, too.

ABOUT ASTIOX NETWORK INC

We are the trading/mining company for the smarter investor, combining expertise, technology and experience.

Astiox Network Inc is a pioneer registered digital asset trading and investment company that provides services with a secure and fast transaction infrastructure developed by world standards, in governance of the expert team and experienced advisory board.

We're a trading/mining company built on the belief that innovative, creative solutions deliver more value and a better experience.

Accessing trading and investment should be seamless. We're committed to making the process simple and accessible for everyone.

GENERATING INCOME

We allocate investor's funds to financial instruments in trading and manage these trades to bring profits for investors.

With over 2000 investors, over 6000 successful trades, and years of experience, we have a record for high performance globally.

Our mining and trading methods eliminate the risks often associated with earning from digital assets. The company offers exclusive interest return.

OUR VALUES

Successful trading/mining management companies base their business on a core trading/mining philosophy, and **Astiox Network Inc** is no different.

Although we offer innovative and specific strategies through digital asset funds, an overarching theme runs through the trading/mining guidance we provide to clients—focus on those things within your control.

BITCOIN POOL MINING

MINE BITCOIN & EARN PASSIVE INCOME

Our Bitcoin Pool Mining service allows you to earn steady rewards by combining your computing power with a global mining pool. You don't need to buy expensive equipment — we handle the technical side, while you enjoy daily rewards.

HOW IT WORKS

- You invest in a mining contract (hash power).
- Your computing power is combined with our global mining pool.
- We mine Bitcoin and share the rewards with you based on your plan.
- Profits are credited to your account daily.
